

DAVID-ANN-MARIA -- THE SEQUEL

INT. ANN AND DAVID'S APARTMENT - DAY

DAVID comes back home, grabs a bite of pizza from the fridge, and plops in front of the TV.

ANN, putting her coat on, follows him around the apartment.

ANN

So?

(beat)

You can do it.

(beat)

Come on!

DAVID

(watching TV)

Can't you see, I'm busy?

ANN

Just for a couple of hours. We'll take her to dinner and to the movies.

DAVID

Didn't you say you had a migraine?

ANN

She's our friend.

DAVID

Your friend...

ANN

It's just a stupid movie! What's the big deal?

DAVID

You go, if it's no big deal!

ANN

She wants you to go too...

DAVID

Really?

ANN

What?

DAVID

Nothing.

ANN

You're not suggesting...

DAVID

What? No! Never!

ANN

I can't believe that! She's suicidal,
can't think straight...

DAVID

That explains her actions...

ANN

You think she's got something for you?

DAVID

I didn't say that...

ANN

Or maybe, you've got something for her?

DAVID

What? That's outrageous! How can you
say that?

ANN

Is that's why are you're afraid to go
out?

DAVID

I'm not afraid! I'm tired!

ANN

I saw you...

DAVID

What?

ANN

The way you were looking at her.

DAVID

How? When? What way?

ANN

Yesterday. You had that special look on
your face.

DAVID
You know, just forget it! Let's just
not talk about it!

ANN
No, really...

DAVID
Okay! Okay! This is getting silly!

David grabs his jacket.

DAVID (CONT'D)
Let's go!

Ann takes her jacket off and sits down.

DAVID (CONT'D)
What?

ANN
Nothing.

DAVID
Come on! She's your friend! She needs
your help.

ANN
You can help her just fine.

DAVID
Fine!

David leaves the apartment SLAMMING the door loudly.
